

106 EXT. STREET CORNER-NIGHT

A younger Ron wait by a stop sign.

SALLY, a young woman who radiates innocence and high spirits, pulls up to the sign. They approach.

YOUNG RON

Pardon me, Miss.

SALLY

Hello! Can I help you?

YOUNG RON

Thank God you came along. My girlfriend and me, our car broke down a couple blocks back. We need to have it towed to the shop, but I left my wallet at home. Could you loan us forty dollars? I would make sure you get repaid just as soon as we make it home.

SALLY

No problem, I'm glad I can help.
