

1 INT./EXT. RON'S CAR-NIGHT

A beat-up old car that gets the job done. Its owner has concerns other than the quality of his vehicle. That man is RON JAMES, seated behind the wheel.

The car is idling outside an apartment building while he and his girl, PRINCESS D, go over their plan.

PRINCESS D  
Remember, Baby, lock the doors  
when you leave the car.

RON  
I got it.

PRINCESS D  
Make like the payment's all we  
got. Don't let on about the rest.

Ron reaches into the back seat, filled with high-end electronics circa 2000, and grabs a camcorder. As he opens the door to get out, she grabs his arm.

PRINCESS D  
Hurry back. I need it.

He nods, leaves while she rocks back and forth, shaking.
